Credits: 1.5 The Fashion Internship program enables students to work with brands and established professionals in the field, specifically related to their academic and career interests. Under the direction of the Department Chair and the Office of Career + Alumni Services, students are carefully evaluated to facilitate the best possible student/sponsor connection, and a planned program of activities is determined with the professional internship sponsor. Upon successful completion of the internship program, students will have real-world work experience to build their resumes, preparing them for a career in the fashion industry. Prerequisites: Approval of Department Chair and Office of Career + Alumni Services

Prerequisites. Approval of L	epartment chair and Onice	or career + Alumin Services	2
