## FS 2301 Fashion Design Sophomore Portfolio Review

## Credits: 0

Students who have completed 45-60 credit hours are required to participate in a sophomore-level portfolio review. Students will present a professional portfolio of work consisting of original art and design work. Students will learn the fundamentals of portfolio building, including page design, composition and layout, content selection and editing, sequencing and overall presentation. Students will also develop professional practices by researching career paths and job requirements, learning interviewing fundamentals and professionalism, and writing a resume and cover letter.

Prerequisites: Completion	n of 45+ credit hours.
