

ART 4803 - Senior Studio I

Credits:

This senior-level course focuses on preparing conceptual ideas for final departmental experiences such as the senior graduation exhibition. The course focuses on the critical interpretation of art. Emphasis is placed on incorporating design elements, material handling, technique, concept development and expression, and in the work's meaning. In-depth individual and group critique analysis is expected. Upon successful completion of this course, students complete a formal presentation of the conceptual idea for their senior graduation exhibition.
